ABOUT ME

Outgoing, personable, and dedicated to bettering myself and my community. An effective and adaptable team player, with a versatile and ever-growing skill set. Relentless when it comes to bringing positivity and compassion into everything I am a part of.

I love sports and one of my life's happiest moments was earning MVP at the NZ Tertiary Volleyball Champs in 2022. I've also had the privilege of coaching high school basketball, volleyball and lacrosse teams for several years, and having been able to support and foster positive team environments through those experiences has been extremely fulfilling.
